Pricing

You agree to pay the price indicated in the EFL and all amounts shown on your bill. Some products may require an advanced meter (smart meter) that records your usage more frequently and you will only be eligible for these prices if the appropriate meter and any other necessary equipment are installed at your location. This product also requires that you enroll on electronic billing and one of our Automatic Payment plan options. You agree to receive your monthly bills electronically and you also agree to enroll on an automatic recurring payment plan.

You agree to pay non-recurring fees charged by the transmission and distribution service provider (TDSP) that are necessary to implement and/or maintain electricity service for you. Non-recurring fees by the TDSP may include service connection, disconnection or reconnection fees, meter test fees or special out-of-cycle meter read fees. Non-recurring fees will appear as separate line items on your bill.

You agree to pay all applicable Taxes (see *Taxes* below) and any fees charged by any governmental entity. The price, non-recurring fees and Taxes will be reflected on your invoice as Current Charges.

We will charge \$30 for each payment transaction that is returned unpaid or not processed including: 1) returned bank drafts, 2) returned electronic fund transfers, and 3) rejected credit card transactions. This charge will be reflected on your invoice as a Returned Payment Charge, if applicable. We may charge a \$10 Disconnect Notice Fee each time we send you a disconnection notice. There is also a \$30 Disconnect Recovery Charge if you fail to pay the past due amount before the expiration date of any disconnection notice issued by Pennywise Power.

Billing, Payment and Payment Arrangements

We will provide a monthly bill that will include Current Charges and the Amount Due that will be due and payable 16 calendar days from the date shown on the bill, except you agree that we may send your bill electronically. We may issue a bill less frequently if we do not receive meter readings or usage information from the TDSP or ERCOT in time to prepare and send a monthly bill. We may also issue bills less frequently if you agree to accept alternate arrangements. You are required to enroll on our automatic payment plan but if your payment is not processed or you do not pay your bill by the due date, we may charge you a Late Payment Penalty of 5% on the amount for the previous month's past-due electricity service. Late Payment Penalties will not apply to customers who are "LITE-UP qualified." If you are a customer who receives food stamps, Medicaid, AFDC or SSI from the Texas Department of Human Services (TDHS), then you are considered "LITE-UP qualified." You must provide evidence of enrollment in a TDHS program. Late Payment Penalties will not exceed the maximum amount permitted by Law. "Law" means any law, statute, regulation, rule, ERCOT protocol, exchange rule, decision, writ, order, decree or judgment, or any interpretations by any court, agency or instrumentality that has jurisdiction, including ERCOT. Public Utility Commission of Texas (PUCT) Substantive Rules and guidelines can be viewed at <http://www.puc.texas.gov/agency/rulesnlaws/subrules/electric/Electric.aspx>

If you receive a disconnection notice you may be charged a Disconnect Notice Fee each time we send you a disconnection notice. If you receive a disconnection notice we may also charge you a Disconnect Recovery Charge if you do not make a valid payment of the full past due amount before the date your service is subject to disconnection as stated in the disconnection notice. This charge will apply regardless of whether your electric service is actually disconnected.

We reserve the right to adjust your bill. We may calculate a bill based on estimated meter readings absent actual meter readings from the TDSP or ERCOT. Once actual meter readings are received, we will issue a bill or make adjustments on a subsequent bill.

If you agree to purchase other products or services from us or you purchase products or services that are offered by us but provided from our affiliates or other third parties (Third Party Services), you acknowledge that the bill we provide you may include the charges for those products and services. We will apply all payments you make on your bill first to the amounts you owe us for electricity service.

Please call us if you anticipate having difficulty paying your bill by the due date. For payment purposes, Pennywise Customer Care Representatives will only be available to process one-time bank draft or one-time credit card payments. You may be eligible for payment assistance

PENNYWISE POWER RESIDENTIAL TERMS OF SERVICE

or a deferred payment plan. The Disconnect Recovery charge will be assessed on your account if you do not pay the past due amount before the date your service is subject to disconnection as stated on your disconnection notice regardless of an extension on your account for any reason, including your eligibility for payment assistance or a deferred payment plan. The Customer Assistance for Pennywise program (CAP) is also available to provide payment assistance to qualified customers who have experienced an emergency or temporary hardship impacting their financial status. The program is funded in part by contributions from Pennywise customers. You may contribute to CAP each month by contacting Customer Service for information and instructions. Pennywise also offers energy efficiency programs to all customers, including low-income customers.

If you fail to timely pay the amounts due and we refer your outstanding balance to an attorney or collection agent for collection, or file a lawsuit, or collect your outstanding balance through probate, bankruptcy or other judicial proceedings, then you agree to pay reasonable fees and expenses (including attorney fees) that we incur in the collection process.

Deposits

We do not deny service based on your credit score. However, you may have to provide an initial deposit before receiving electricity service if you cannot demonstrate satisfactory credit. An initial deposit may also be required to continue to receive electricity service, if you have been late paying your bill more than once during the last 12 months or your service has been disconnected for non-payment. If you transfer your service with us to a new address, your existing deposit may be transferred to your new address. You may be required to provide an additional deposit to continue to receive electricity service if (1) your average annual electricity service bill for the last 12 months is at least twice the amount of the original estimated annual bill, and (2) a notice for disconnection has been issued in the previous 12 months. If a deposit is required, the total amount of your deposit will not exceed an amount equal to the greater of either (1) the sum of the next two months estimated billings, or (2) one-fifth of the estimated annual billing.

If we hold your cash deposit longer than 30 days, your deposit will accrue interest from the day we received it at the interest rate established annually by the PUCT. We will credit any accrued interest on your deposit to your account on your January bill each year or on your final bill. This PUC rule can be viewed at: <http://www.puc.texas.gov/agency/rulesnlaws/subrules/electric/25.478/25.478.pdf>

If you are LITE-UP qualified and are required to pay a deposit greater than \$50, you will be eligible to pay your deposit in two installments. You must provide evidence of enrollment in a TDHS program. This PUC rule can be viewed at: <http://www.puc.texas.gov/agency/rulesnlaws/subrules/electric/25.454/25.454.pdf>

You may avoid paying a cash deposit if (1) you submit a credit reference letter from your previous electric service provider confirming your positive payment record for 12 consecutive months during the past two years, (2) you have a satisfactory credit rating through a consumer reporting agency, (3) you are at least 65 years of age and you do not have a delinquent balance with your current electric service provider, (4) you are medically indigent or, (5) you have been a victim of family violence and can provide a certification letter by the Texas Council on Family Violence. Please contact us for additional information if you believe you may be eligible for one of these options. You may send your letters to us by fax at 713-488-4466 or at our toll-free fax number, 1-877-619-0161.

If you establish satisfactory credit with us by making timely payments for 12 consecutive months, then we will apply the deposit plus accrued interest to your account. If you do not establish satisfactory credit with us during the time you receive service from us, then we will apply the deposit plus accrued interest against the outstanding balance on your final bill. After your deposit has been applied to your final bill, we will bill you for any remaining balance and the bill will be due upon receipt or we will refund any credit balance to you or transfer the credit balance to your new REP, at your request and with your new REP's consent.

Right of Rescission

If you are switching to Pennywise from another Retail Electric Provider (REP), you can cancel your acceptance of the contract with us without penalty or fee by contacting us before midnight of the third federal business day after the date of your enrollment authorization and receipt of the contract documents. Please contact us as noted below and include the following:

- 1) request to cancel contract
- 2) name, address, phone number
- 3) Account Number or ESID Number

You may call us to cancel at 1-877-455-4674 with this information, fax us at 713-488-4466 or 1-877-619-0161, or e-mail us at service@pennywisepower.com

Canceling Your Contract

Your contract term is stated in the EFL. At the end of your contract term, you may cancel or terminate your contract by switching to a new provider. If you cancel the contract before the end of your contract term, you agree to pay the penalty or fee for early cancellation indicated in the EFL, if any, and you must select another REP to continue to receive electricity service. You may continue to receive a bill for any Third Party Services that are included on your bill until the Third Party Services are cancelled or terminated. You will not continue to receive a bill if the Third Party Services are scheduled to cancel automatically when your electricity service contract with us is cancelled or terminated.

If you move from your existing premise during the contract term and provide a forwarding address to us, you will not be responsible for the cancellation fee stated in the EFL. We may also request that you provide reasonable evidence that you no longer occupy the location covered by the contract. In order to ensure timely processing, you should notify us at least 3 days before the requested termination date.

Our obligations will end after the meter read date where we are no longer designated as your REP or when your electricity service is disconnected by the TDSP. Your obligations under the contract will end when your account balance is paid in full.

PENNYWISE POWER

RESIDENTIAL TERMS OF SERVICE

Disconnection of Your Electricity Service

WE MAY REQUEST DISCONNECTION OF YOUR ELECTRICITY SERVICE IF YOU DO NOT PAY YOUR DEPOSIT OR THE PAST DUE AMOUNT OF YOUR ELECTRICITY SERVICE BILL IN FULL BY THE DUE DATE ON THE DISCONNECT NOTICE. We will notify you in writing at least 10 calendar days before we disconnect electricity service.

We may request disconnection of your electricity service without prior notice immediately under specific situations, including the existence of a dangerous condition at your service address or theft of service. We may also request disconnection of your electricity service without prior notice if you provide fraudulent or false information to obtain electricity service from us.

Customer Care, Alternate Billing and Payment Options

If you have any questions, concerns, billing inquiries, or you are interested in applying for the following services we offer, please contact us.

Average Billing: The Average Billing option helps you manage your electricity budget by allowing you to pay an averaged amount every month.

To calculate the amount that you will pay each month, we add your current bill amount to your previous 11 bill amounts for your service address, if available. We then take the total and divide the amount by 12 or by the total months available for your service address to determine your average monthly payment amount. If you do not have previous bills in your name at the service address, we take the previous usage that is available for the service address and apply your current price to calculate your average monthly payment amount. Finally, we add or subtract 1/12th of any Deferred Balance that you have accumulated. Each month we will track your Deferred Balance which is any difference between your average monthly payment amount and your actual monthly charges. If you cancel Average Billing or your account is closed, any outstanding Deferred Balance will be due at that time. If your Deferred Balance results in a credit, it will be applied to your account annually, or when your account is closed.

In the event the contract is canceled or terminated or your electric service is disconnected the Average Billing option does not affect your obligation to pay for all actual usage.

Your plan requires enrollment on one of the following Automatic Payment plan options

Automatic Bank Draft: You may select the convenience of paying your bill by automatic bank draft.

Automatic Credit Card Pay: You may select the automatic payment plan using your Visa, MasterCard or Discover.

Automatic Debit Card Pay: You may select the automatic payment plan using your Visa or MasterCard debit card.

Antidiscrimination

We cannot deny service or require a prepayment or deposit for service based on your race, creed, color, national origin, ancestry, sex, marital status, lawful source of income, level of income, disability, familial status, location in an economically distressed geographic area, or qualification for low income or energy efficiency services.

We also cannot use a credit score, a credit history, or utility payment data as the basis for determining the price for electricity service for products with a contract term of 12 months or less.

Critical Care and Chronic Condition Customer

If you have a person permanently residing in your premise who has been diagnosed by a physician as being dependent upon an electric-powered medical device to sustain life, you may apply for designation as a Critical Care Residential Customer. If you have a person permanently residing in your premise who has been diagnosed by a physician as having a serious medical condition that requires an electric-powered medical device or electric heating or cooling to prevent the impairment of a major life function through a significant deterioration or exacerbation of the condition, you may apply for designation as a Chronic Condition Residential Customer. To be considered for such designation, the PUC-approved form must be submitted by facsimile or other electronic means to the TDSP by a physician. The TDSP will notify you of the final status of your designation as a Critical Care or Chronic Condition Residential Customer, and will notify you when such designation will expire and whether you will receive a renewal notice. The TDSP will also notify us about your status. This PUC rule can be viewed at <http://www.puc.texas.gov/agency/rulesnlaws/subrules/electric/25.497/25.497.pdf>. Designation as a Critical Care or Chronic Condition Residential Customer does not relieve you of your obligation to pay for electricity service that you receive from us.

Power Outages and Emergencies

Please call the telephone number listed on your bill if you have an electrical emergency or a power outage.

Dispute or Complaints

If you have any questions, concerns, or complaints, please contact us. In the unlikely event we cannot immediately respond to your question or complaint, we will promptly investigate the matter and report our findings to you. During this time, you will not be required to pay the disputed portion of your bill. If for any reason you are not satisfied with our response, you may contact the PUCT.
